

REPORT ON SCHOLARSHIPS AWARDED AT CEITEC MU IN 2021

The scholarships were awarded at the Central European Institute of Technology of Masaryk University (from now on referred to as CEITEC MU) following the Masaryk University Scholarship and Bursary Regulations and Director's Measure of CEITEC MU No. 1/2020.

Scholarships are granted in two regimes: as a part of scholarship programs of CEITEC MU, and as extraordinary scholarships according to Part IV. of the MU Scholarship and Bursary Regulations.

The following scholarship programs are established at CEITEC MU:

- a) Scholarship program to support study excellence at CEITEC PhD School
- b) Scholarship program to support creative activities of students
- c) Scholarship program to support interdisciplinarity

The scholarship agenda was administered by the Research and Innovations Support Department.

In the year 2021, the scholarship was granted to 142 students, and the total amount paid was
CZK 4.596.202
